

# Zuheb Akhter

Frontend Developer

 Marathahalli, , Bengaluru, Karnataka, 560037, India  
 April 01, 1998  zuheb1998@gmail.com  7996477442

I am a motivated and adaptable professional with a background in civil engineering, seeking to leverage my strong analytical and problem-solving skills in my transition to a career as a Frontend Developer. With a solid foundation in web development and a commitment to continuous learning, I am excited to contribute to innovative projects and further develop my skills in the field.

## WORK EXPERIENCE

**Eco-Sip Constructions** (October 08, 2020 - April 01, 2022)  
Project Engineer

As a Project Engineer , I gained valuable experience in project management, problem-solving, and teamwork.

**Concentrix Daksh Services India Private Limited** (May 30, 2022 - May 05, 2023)  
Advisor I

I meticulously evaluated mobile applications for adherence to company policies and quality standards. Key contributions included: Conducting comprehensive app reviews, identifying and addressing violations swiftly. Engaging in clear and professional communication with app developers, guiding them through resolution processes. Maintaining detailed records and providing insights for process improvement.

## EDUCATION

**Mountain View College** (May 31, 2014 - May 31, 2016)  
Puc, Science

**Gopalan College of Engineering and Management** (July 31, 2016 - July 31, 2020)  
B.E, Civil Engineering

## PROJECTS

**Mail Box Client**  
Web Application

Developed a mailbox client website in which user can receive and send mail to another register user User can view total unread messages Utilize React.js library for creating this application, Redux for state management, GitHub for version control, Firebase for storing data

<https://github.com/ZuhebAkhter/mailbox>
